

THE GREENHOUSES

PRIVATE DINING

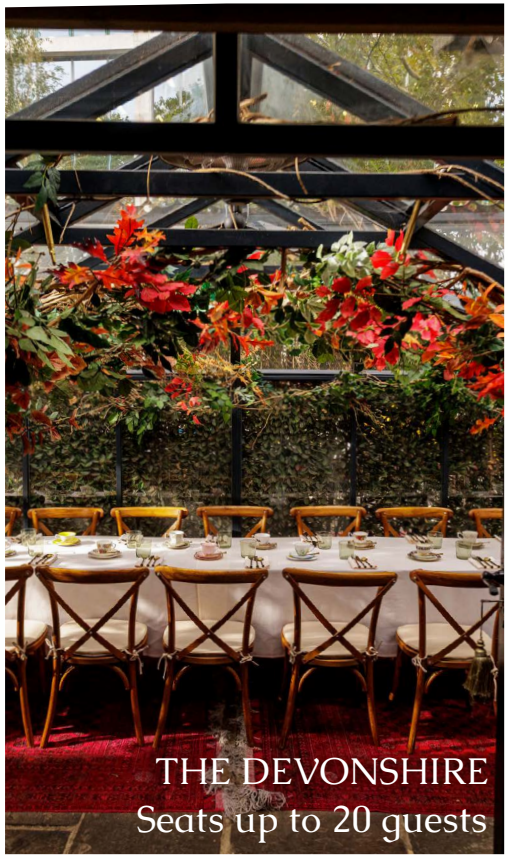

Located at the iconic One Marylebone in central London and in the heart of the City, The Greenhouses offers a collection of beautifully designed private dining spaces perfect for every occasion.

Featuring a Middle Eastern–inspired menu, we create memorable moments through refined breakfasts, indulgent afternoon teas, luxurious weddings, bespoke events, brand collaborations and creative experiences – each greenhouse blending intimacy, sophistication and exceptional hospitality. We proudly offer all our private dining spaces with no room hire fee – a distinction that sets The Greenhouses apart from most venues.

Both our Marylebone and City venues provide the same exceptional offerings, while also allowing flexibility for product development, event production and immersive brand experiences that go beyond dining. Whether it's a romantic wedding, private celebration, corporate event or creative activation, The Greenhouses provides the perfect setting to create unforgettable moments.
