"My Wife and I just had our wedding reception here and I cannot recommend this place enough - They exceeded our expectations in every single facet! All of the food was incredible but I would strongly encourage people to get the optional canapés which for me were the star of the show!! Simona and the team were fantastic and I hope to dine here again soon"

James White | July 2025

"What a lovely evening we had at the greenhouses. My husband and I had an intimate 30 person wedding at The Regency Greenhouse. Simona, Luca and the team went above and beyond providing the best service. They made sure all our requests were met and were very friendly! The food was amazing. The guests loved every single plate that was brought out. Location in the heart of London was perfect. We would definitely recommend this venue to others."
