## TESTIMONIALS

*"I am so grateful to Simona and her team at the Greenhouses for creating an unforgettable evening for us! I chose the Bougainvillea greenhouse for my wedding reception and I am blown away by how gorgeous the venue is! Simona and everyone at the Greenhouses were beyond hospitable, assisting me in every detail from place settings, table decorations, chair rental and display screen hire. She really couldn't have done more. The day before the wedding I was so stressed and worried and she made sure to reassure me and everything went so smoothly! I can't recommend the team at the Greenhouses enough!!"*

Luca and Simona provided the most wonderful service, nothing was too much trouble, every detail was attended to, the greenhouses were like a magical fairyland and the food was superb. Everything exceeded our expectations. Highly recommended!"*
